Fundasôn suéku Akelius dja kumesa um prjetu pilotu di teaching language na sinku skola di 2º ti 6º anu.

Prujetu was promoted in a partnership with UNICEF to benefit schools from Praia, Són Dumingus, Rubêra Grandi Santiago and Sal.

The objective of the initiative is to promote diversified pedagogy in teaching and learning Portuguese, French and English.

In a first attempt, there was an interaction between the student and the applicative, with focus on oral kumunikasôn.

Fundasôn Akelius (Business School) is a never-ending institution, based in Sweden, which supports students with scholarships and grants for students and investments and contributes to the development of kursu kurrikular.

Super Sound
