

📍 On 07.02.2024, the Observer organized a visit to the "Haki Stermilli" school, Melan Administrative Unit, Diber Municipality, where we had the opportunity to closely follow the use of the AKELIUS platform in the development of the English language lesson.

📌 The Akelius initiative is being implemented by the "Observatory for the Rights of Children and Young People" in partnership with [@unicefalbania](#) and in cooperation with [@ministraarsimit](#)
