

The Akelius digital application for learning foreign languages was presented at the Open Days at the primary schools *Lejla Hairlahović-Hušić* in Cazin, *Ahmet Hromadžić* in Bosanski Petrovac and *First Elementary School* in Velika Kladuša.

Students explored this application with great excitement, while parents and teachers got an insight into new, modern methods of learning English and German!

The Akelius platform for learning foreign languages offers interactive and fun learning that opens the door to a bright future!

We can't wait to see our students develop their language skills!
