📍 "Sejdi Dida" 9-Year School, Has

As part of the mentoring visits of the Akelius project, the Observatory team held a meeting with English language teachers at the "Sejdi Dida" 9-year-old school in Has . The discussions focused on the practical use of the Akelius Digital Language Learning platform, highlighting the ways in which this platform helps integrate digital and interactive methods into the learning  process. The meeting took place in a collaborative spirit and aimed to strengthen the use of the platform as efficiently as possible for the students.

👉 The Akelius Initiative is funded by the Akelius Foundation and implemented by **#UNICEFAlbania**, in cooperation with the Ministry of Education and the Observatory for Child and Youth Rights.
